

Think you got talent? Think you got skills? Prove it!

Come to the DAIS Conference talent show and show us what you got!

Saturday, May 14, 2011

at the Riverdale Country School.

Hi all! It's that time of the year again! The DAIS conference is back again, and we would like to welcome everyone to sign up for the DAIS talent show which is always one of the highlights of our conference.

All acts are invited, but the general categories are: **Spoken Word**, **Music (Vocal or Instrumental)**, and **Dance**... but if you have any other talent that you would like to share with us just send in your proposal!

Please submit (or hit reply to this e-mail) with your name, grade, school, talent and approximate length of the act.

If your act needs any equipment (i.e. microphone, speakers, video projector, etc.) please let us know so we can have time to request equipment from the school.

****If you are performing a song or a spoken word piece, a copy of the piece of work must be sent to one of us, so we can deem the content appropriate for showing.****

Your MC's for this year's talent show will be.....

!!!!CASIDY CAMPBELL and OLA FADAIRO!!!!

As always we try to make the upcoming conference better than the last (which we never fail to do)! The deadline for you guys to send us your acts is **April 22, 2011**. So if you're interested in showing some talent at the 2011 DAIS conference, contact any one of the people below, via e-mail.
